Hearing Loss Is Not A Sign of Old Age
Chicago, Ill. — A free offer of special interest to those who have trouble hearing has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.
Send for this model, put it on and wear it in the privacy of your own home. While many people with a hearing loss will not receive any significant benefit from any hearing aid, this free model will show you how tiny hearing help can be. It is not a real hearing aid, and it's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.
These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 00000, Beltone Electronics Corp., 4201 W. Victoria, Chicago, Illinois 60646.
